human drugs under the Drug Export Amendments Act of 1986 should also be directed to the contact person.

FOR FURTHER INFORMATION CONTACT: James E. Hamilton, Center for Drug Evaluation and Research, HFD–310 Food and Drug Administration, 7520 Standish Place, Rockville, MD 20855, 301–594–3150.

SUPPLEMENTARY INFORMATION: The drug export provisions in section 802 of the Federal Food, Drug, and Cosmetic Act (the act) (21 U.S.C. 382) provide that FDA may approve applications for the export of drugs that are not currently approved in the United States. Section 802(b)(3)(B) of the act sets forth the requirements that must be met in an application for approval. Section 802(b)(3)(C) of the act requires that the agency review the application within 30 days of its filing to determine whether the requirements of section 802(b)(3)(B) have been satisfied. Section 802(b)(3)(A) of the act requires that the agency publish a notice in the **Federal Register** within 10 days of the filing of an application for export to facilitate public participation in its review of the application. To meet this requirement, the agency is providing notice that Marion Merrell Dow, Inc., Marion Park Drive, P.O. Box 9627, Kansas City, Missouri 64134–0627, has filed an application requesting conditional approval for the export of the human drug Anzemet (dolasetron mesilate) Tablets to France for packaging and transshipment to the United Kingdom. Anzemet is used for the treatment of nausea and vomiting induced by cancer chemotherapy, radiotherapy and post-operative nausea and vomiting. The application was received and filed in the Center for Drug Evaluation and Research on August 8, 1995, which shall be considered the filing date for purposes of the act.

Interested persons may submit relevant information on the application to the Dockets Management Branch (address above) in two copies (except that individuals may submit single copies) and identified with the docket number found in brackets in the heading of this document. These submissions may be seen in the Dockets Management Branch between 9 a.m. and 4 p.m., Monday through Friday.

The agency encourages any person who submits relevant information on the application to do so by September 5, 1995, and to provide an additional copy of the submission directly to the contact person identified above, to facilitate consideration of the information during the 30-day review period.

This notice is issued under the Federal Food, Drug, and Cosmetic Act (sec.and Drugs (21 CFR 5.10) and redelegated to the Center for Drug Evaluation and 802 (21 U.S.C. 382)) and under authority delegated to the Commissioner of Food Research (21 CFR 5.44).

Dated: August 14, 1995.

Betty L. Jones,

Deputy Director, Office of Compliance, Center for Drug Evaluation and Research.

BILLING CODE 4160–01–F

[Docket No. 95D–0114]

Medical Devices; Premarket Notification (510(k)) Practices; Procedures/Good Manufacturing Practices/Compliance Program; Availability; Correction

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice; correction.

SUMMARY: The Food and Drug Administration (FDA) is correcting a document that announced the availability of revisions to the standard compliance program for good manufacturing practices (GMP's) (Compliance Program 7382.830). The document was published in the **Federal Register** of June 20, 1995 (60 FR 32160). The document was published with an error in the telephone number for CDRH Facts on Demand. This document corrects that error.

FOR FURTHER INFORMATION CONTACT: Marquita B. Steadman, Center for Devices and Radiological Health (HFZ–84), Food and Drug Administration, 2098 Gaither Rd., Rockville, MD 20850, 301–594–4765.

SUPPLEMENTARY INFORMATION: In FR Doc. 95–14947, appearing on page 32160 in the **Federal Register** of June 20, 1995, the following correction is made:

In the second column, under the **''Addresses''** caption, in line 20, the telephone number ''1–800–899–0281'' for CDRH Facts on Demand is corrected to read ''1–800–899–0381''.

Dated: August 17, 1995.

William K. Hubbard,

Acting Deputy Commissioner for Policy.

BILLING CODE 4160–01–F

Office of the Secretary

Findings of Scientific Misconduct

AGENCY: Office of the Secretary, HHS.

ACTION: Notice.

SUMMARY: Notice is hereby given that the Office of Research Integrity (ORI) has made final findings of scientific misconduct in the following case:

Oscar R. Rosales, M.D., Yale University School of Medicine: On August 2, 1995, ORI found that Oscar R. Rosales, M.D., Assistant Professor of Medicine (Cardiology) at the Yale University School of Medicine, committed scientific misconduct by plagiarizing and intentionally misrepresenting research in an application for Public Health Service (PHS) funded research supported by grant application 1 R24 RR05358–01.

Dr. Rosales has entered into a Voluntary Settlement Agreement with ORI in which he has accepted ORI's finding and, for the three (3) year period beginning August 2, 1995, has voluntarily agreed to:

(1) exclude himself from serving in any advisory capacity to the PHS, including but not limited to service on any PHS advisory committee, board, and/or peer review committee, or as a consultant; and

(2) certify in every PHS research application or report that all contributors to the application or report are properly cited or otherwise acknowledged. This certification must be endorsed by an institutional official, and the institution must send a copy of the certification to ORI.

FOR FURTHER INFORMATION CONTACT: Director, Division of Research Investigations, Office of Research Integrity, 5515 Security Lane, Suite 700, Rockville, MD 20852.

Lyle W. Bivens,

Director, Office of Research Integrity.
